

## Gopher Flying Club Safety Meeting, (Members Only)

Steve will demonstrate various uses for the iPad and how they can help a pilot prepare for a flight. Several applications for the iPad will be demonstrated. This will include ForeFlight, weather, weight/balance, FAA downloads, Google earth..... with insights from an experienced Certified Flight Instructor.

**Directions:** Located near the MIC control tower. Enter the airport on the Southwest side. From County Road 81 turn east on Crystal Airport Road. Enter through Gate A1. The Civil Air Patrol building is straight ahead.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
